## Wild West Cocktails

To make 1 of each of a  
Martinez, Brandy Punch, Brandy Julep, Coffee Cocktail, you  
will need:

90ml gin (we recommend Falconbrook)

150ml brandy

75ml red vermouth (Antica Formula do a half size bottle)

90ml sugar syrup (you can make yourself by stirring equal  
parts castor sugar with equal parts cold water until dissolved)

1 x lemon

50ml of your favourite tea

Angostura bitters, if you can't find this, another aromatic  
bitters

3-4 sprigs of mint

1 x egg

Nutmeg – ideally get a whole nut and a grater, if not,  
powdered would be a distant second

ICE - at least 1 teacup per drink + extra just in case!
